

"Solving Employment Needs"

1-888-794-7798

Condustral is a supplemental employer for the Marine, Construction, Industrial, and Manufacturing markets.

We have offices throughout the Southeast, Texas, and Mid-Atlantic United States to serve all your needs as well as a Travelers Division that can place skilled labor anywhere in the USA or Internationally.

www.Condustral.com

We would welcome the opportunity to meet with you and explore the program that will offer you the best investment and make your company more profitable. At the very least we may leave you with an idea or two that will improve your current staffing situation.

Please feel free to contact us with any questions or upcoming needs. We will be more than happy to meet with you at your office or job site.

Skilled-Trades Offered

With our intense recruiting strategies, Condustral pulls from 100% of the workforce, not just the currently unemployed. This results in a larger selection to cover all your skilled labor needs.
